ter rights, or be the officers, officials or members of the board of a corporation which owns land or groundwater rights within the control area. District boundaries within the Laramie County Groundwater Control Area can be viewed at <https://seo.wyo.gov/ground-water/control-areas-and-advisory-boards/laramie-county-ca> or are available by contacting our office.

Following the closing of the election, the State Engineer's Office will verify collected ballots for voter eligibility pursuant to Wyoming Statute § 41-3-913, which states in part:

"Every person or corporation owning, or by virtue of public land filing, entitled to possession of land which is a part of the control area is entitled to cast for each member to be elected one (1) vote for each acre of such land as assessed upon the last annual assessment of the county in which the land is located, or as shown by the public land filing. A person owning a tract of land of less than one (1) acre is entitled to cast one (1) vote for each member to be elected. The grantee or assignee of the water in or under any described land is entitled to vote, as prescribed herein, in the place of the person or corporation owning or entitled to the possession of the land. However, if board member districts are established, only the votes which derive from within each district shall be cast in the election of the district board member."

Within five (5) business days, the State Engineer's Office will announce the election results.

This election is being held pursuant to and under the authority of Wyoming Statute § 41-3-913.

For further information, please contact Markus Mallesha, Assistant Administrator, Ground Water Division, at (307) 777-6166.

# It's Turkey, Potatoes N Gravy and Pies at St. Paul's Fall Dinner

Karen Lipska, Pine Bluffs Post

Thanksgiving in October? It might be one of the first questions for anyone who has not attended the Annual Fall Dinner. Then, the next question is why? So we answer, why not! It is a perfect time to give thanks. Thanks should always be given all the time. St. Paul's Fall Turkey Dinner was on October

20th. This dinner was incredible. It is prepared months ahead of time. The planning and ordering of turkeys is not a small job. Plus figuring out how much food is needed each year. The ladies at St. Paul's Catholic Church in Pine Bluffs work hard. There are over 10 turkeys at times. The turkeys are then cooked just right for the event. The potatoes,

stuffing, and green beans with bacon were also prepared just right for this event. Then there are the ladies that sign up for salads and pies. The people look forward to this dinner every year.

The money that is collected will go to scholarships, funeral dinners and other charitable works. The church not only helps themselves, but also the

community at times. The dinner is a good fundraiser for them to be able to help others in the future.

The people start showing up at 11:00 a.m. A person has to get the right table to include all their family and friends. Then the plate is a platter. It is huge and the servers fill it. Next is the decision of which salad or salads to put on the platter. There was tables of salads

to be decided on. Next is the pie. Oh goodness, the pie or pies to be correct. It was a hard decision to make. The ladies put lots of love in the foods they prepare and it shows. It is hard to decide but so delicious to eat.

If anyone was still hungry after that dinner then they have a big appetite but most folks were in a turkey coma. There was about 250 people that attended the

dinner this year. If was great to see people at the tables. Some diners came from Kimball to enjoy the great food. It is a blessing and a great time to thank so many wonderful people. A person can thank the hard working ladies of St. Paul's Catholic church for a job so well done. They are a blessing in many ways.

## PUBLIC NOTICE
